PRESS RELEASE

These contemporary solid wood pieces are manufactured by the excellence of Italian craftsmanship. It is part of the collectible design language Arca that has been developed by the Edizione Limitata research team in Milan. They started to develop this aesthetic from references to traditional Japanese furniture, art and sculpture, studying ancient jointing techniques and woodworking methods.

The result is a sculptural structure made of intersecting wooden planks that can be a contemplative detail in an interior.

Images show a V1 and a V2 version in **Solid Ash Wood**

Solid Ash Wood

DETAILS

- Every piece has a marked and progressively **numbered metal plate**. Each product of Edizione Limitata Factory is unique and part of a limited edition serie.
- On request, **Edizione limitata offers vizualization service in order to customize the pieces in different materials and dimensions**. The customer will be assisted by the Edizione Limitata's team of designers. Materials samples are available on demand.
- Small variations in finishing and colors - as well as the ones between pieces - are innate and natural, especially for solid wood pieces like Bayou ones. They clearly show the origin of raw materials and the craftsmanship of the process
- **Each material will have a different cost**, for each variation Edizione Limitata will provide a specific quote different from the one in the pictures.
