PRESS RELEASE

The collectible design language Asido has been developed by the Edizione Limitata's art research team in Milan. Inspiring the project were the natural beauties of Middle Eastern territories, the legs gently sink into the ash wood tabletop contributing to the overall harmony of the piece. Asido is sweet thinking, a well-balanced language for interiors. This language is made of unexpected balances, volumes and weights wrap themselves around each other in a fascinating exchange of roles.

DETAILS

- Every piece has a marked and progressively **numbered metal plate**. Each product of Edizione Limitata Factory is unique and part of a limited edition serie.
- On request, **Edizione limitata offers vizualization service in order to customize the pieces in different materials and dimensions**. The customer will be assisted by the Edizione Limitata's team of designers. Materials samples are available on demand.
- Small variations in finishing and colors - as well as the ones between pieces - are innate and natural, especially for solid wood pieces like Bayou ones. They clearly show the origin of raw materials and the craftsmanship of the process
- **Each material will have a different cost**, for each variation Edizione Limitata will provide a specific quote different from the one in the pictures.
