PRESS RELEASE

Revolution are 21st Century mirrors of 55 cm diameter, made by Italian artisans in different shades and colors. It is part of the collectible design language Revolution that has been developed by the Edizione Limitata's art research team in Milan. They worked on a clean and rigorous design consisting of a brass frame and a cut round mirror. The result is a light balance between the geometries of frames, mirrors, and walls.

DETAILS

- Every piece has a marked and progressively **numbered metal plate**. Each product of Edizione Limitata Factory is unique and part of a limited edition serie.

- On request, **Edizione limitata offers vizualization service in order to customize the pieces in different materials and dimensions**. The customer will be assisted by the Edizione Limitata's team of designers. Materials samples are available on demand.

- Small variations in finishing and colors - as well as the ones between pieces - are innate and natural, especially for solid wood pieces like Bayou ones. They clearly show the origin of raw materials and the craftsmanship of the process.

- **Each material will have a different cost**, for each variation Edizione Limitata will provide a specific quote different from the one in the pictures.
