PRESS RELEASE

Uppa is a series of 21st Century sculptural vases made by Italian artisans in blown sanded glass. The piece is manufactured in a limited edition of 1000 signed and progressively numbered examples. It is part of the collectible design language Uppa that has been developed by the Edizione Limitata's art research team in Milan. The exploration that led to this piece is inspired by the gesture of blowing, the inflating and deflating of semi-transparent volumes. The result is an elegant glass creature.
